Deaconesses

Introduction:

This guide to deaconesses within the Church of England is based on research by the late Revd Dr Sr Teresa Joan White who worked extensively on the history of the deaconess Community of St Andrew (CSA) and the deaconess order in general. This version (produced in 2020) aims to give useful (while not comprehensive) information on deaconesses, known or believed to be deceased. It is based on various sources of information. Historically deaconesses did not appear in *Crockford's Clerical Directory*, until they could be ordained as deacons (from 1987) and priests (from 1994) – these are the abbreviations d. and p. in the right hand column.

Sr Teresa also collated the following figures for deaconess ordinations by year:

1862	1	Elizabeth Ferard
1863	2	Trained by Elizabeth Ferard
1883	50	had been ordained in London for CSA and independent (unattached)
1883		35 W London, 3 East London, 31 in other dioceses as in Register
1887		Deaconesses working in 13 dioceses
1889		CSA had 18 Community Dss, 8 Associate Dss, and 8 Probationers
1894		St Andrew's, Portsmouth, had 37 Deaconess Sisters, Probationers and Church Workers
1900		208-220 ordained since 1862. LDDI had 63; ELDI, WDDH & RDDI ordained between 23-33 each. Salisbury 15. Nine other dioceses averaged 5 each. Blackmore, <i>Autonomous Ministry</i> , footnote, p.65
1920		300 (active) Deaconesses (Blackmore, <i>Beginning</i> , p.l)
1930		216 (active) Deaconesses (Blackmore, p.l)
1975	2	
1976	24	
1977	25	
1978	33	
1979	56	
1980	53

1982	65
